

# Microinsurance Manifesto

## We believe in...

The **resiliency of the Filipino People** in the face of challenges brought about by **Climate Change**.

The effectiveness of **public-private sector partnerships**.

The **important role of Microinsurance** for **Climate Change Adaptation**.

## We want...

**Government** to provide an enabling and conducive policy and regulatory environment for Microinsurance.

**Microinsurance players** to develop, design and create simple, affordable and innovative Microinsurance products and services.

**Agents, brokers, institutions, technology-based providers and community-based organizations** to provide easy but dependable access to Microinsurance to every Filipino households.

**All stakeholders** to ensure consumer value and protection from the development stage of Microinsurance products to settlement of claims.

**Donors, multilateral institutions and the international community** to provide technical and other forms of assistance to those concerned.

**WE CALL FOR ACTION NOW.**

**CHALLENGE THE CLIMATE,  
RESPOND TO CHANGE.**
